Students in the Elmore County School system returned to class this week as they began the 2013-2014 school year. From Coosada Elementary to Stanhope Elmore High School students and parents took advantage of open house events over the weekend to help make the transition back to school a little bit easier. Students sorted out where their classes and lockers were located and prepared for a new year.

On Monday a fresh new crop of seniors at SEHS was given a police escort to their school, as has become a tradition for incoming seniors. After a safety by police briefing in the Village Green Park, the convoy, known as the Senior Lead-in disembarked...destination high school.

Back in the saddle on the first day of school
