The Stanhope Elmore quarterback will head to Birmingham for his future football playing days. Jaryus Wilson signed to play football with Miles College and he hopes to have an impact on the field quickly. "It is a dream come true for me to play in college. I can't wait to get there and get going," Wilson said.

Wilson passed for 14 touchdowns and ran for 8 more in his senior year with the Mustangs. Although he was recruited as a quarterback Wilson said he knows he may play "all over the field" after talking with Miles coaches. "He is a terrific athlete and he showed his versatility in his senior year. I feel confident he will be successful at the next level," Mustangs head coach Jeff Foshee said.
