Stanhope Elmore pitcher Blaine Milam signed to play college baseball with Marion Institute. The right hander signed his scholarship in a ceremony on the SEHS campus. "Marion is getting a good person and great player in Blaine. He has a good work ethic in the classroom and on the field. He had a good year for us on the mound and he threw against some excellent teams. Blaine was a great asset to our program and we wish him well," Mustangs baseball coach Scott Johnson said.
